By

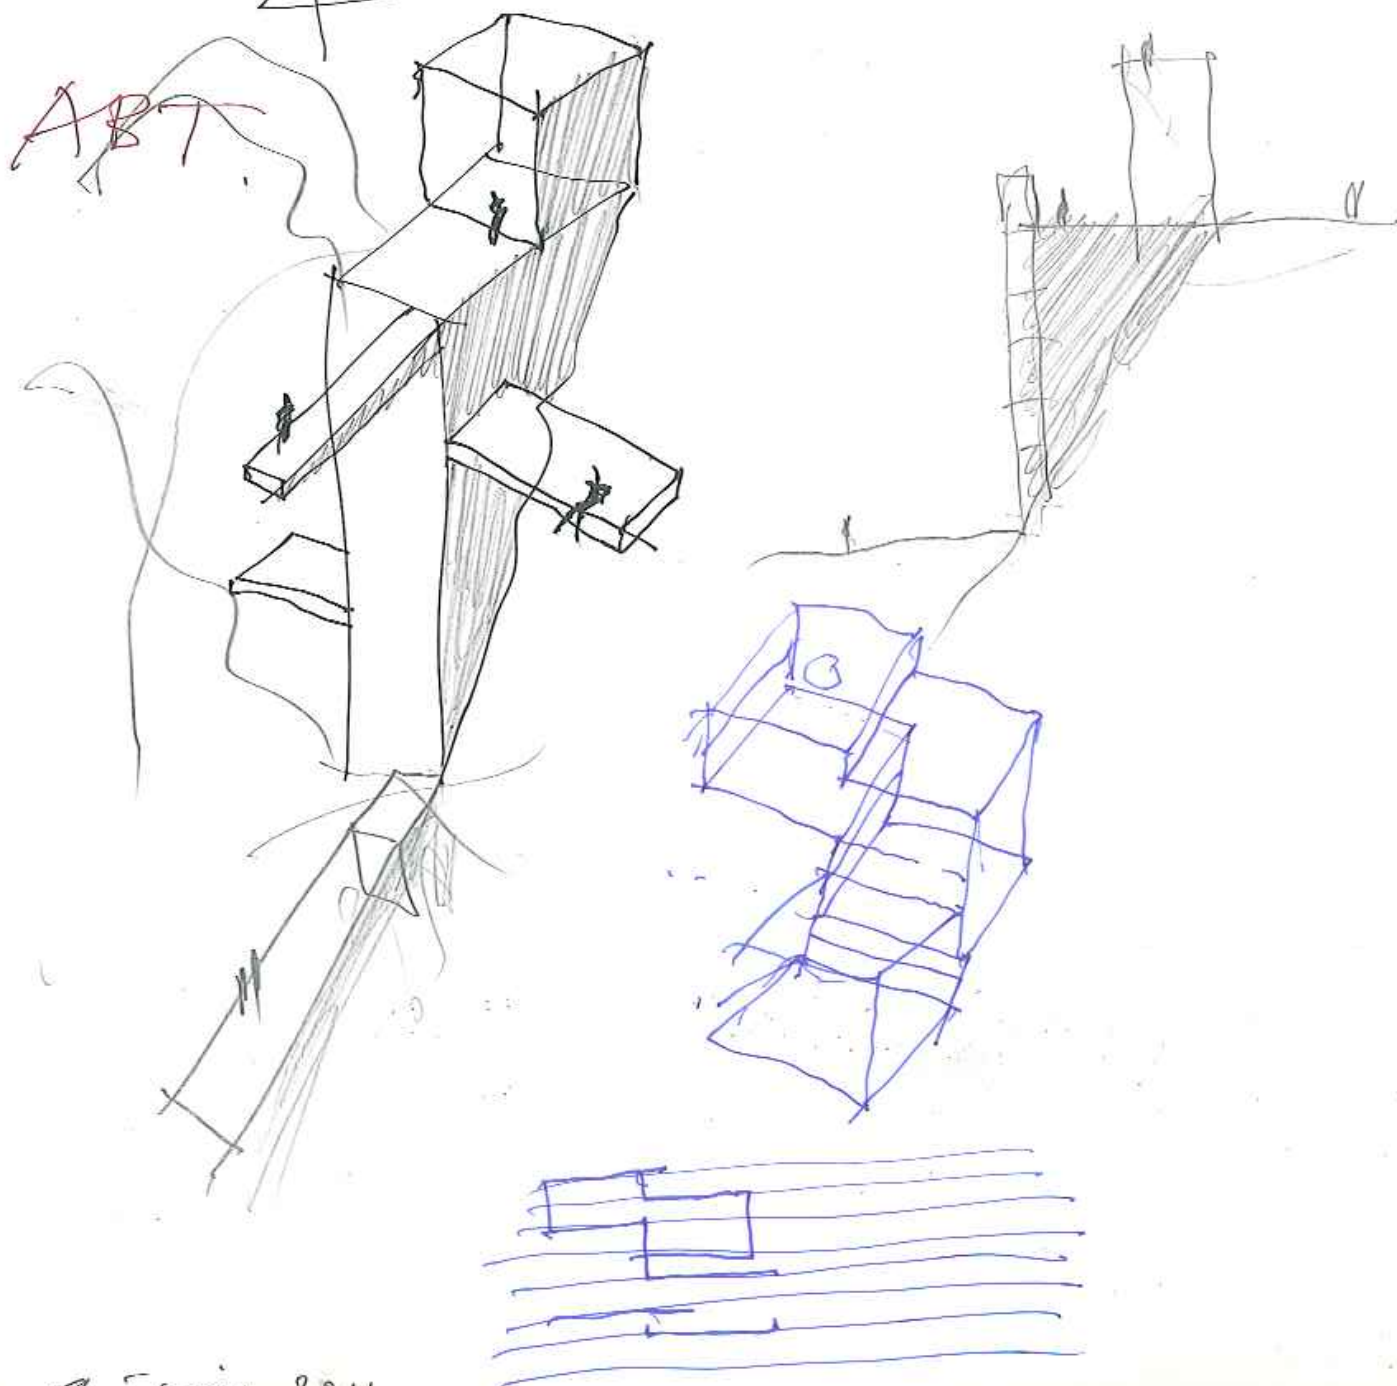

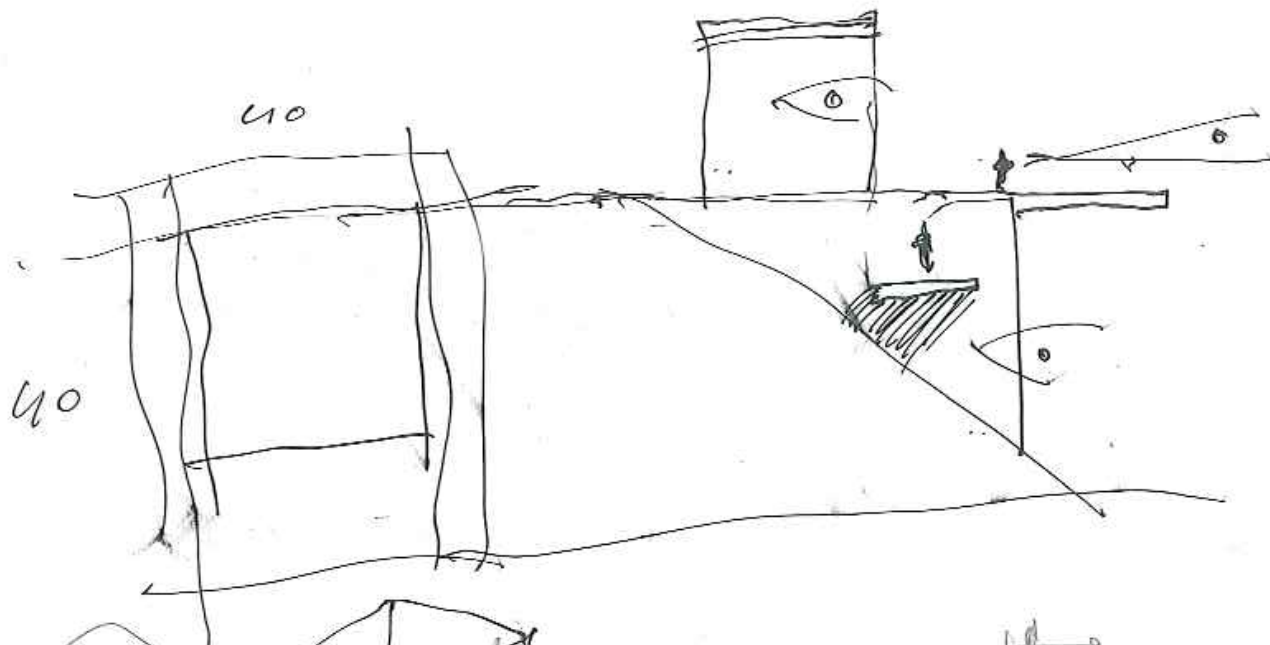

1 2016

A hand-drawn architectural sketch of a building section. The drawing is done in blue and orange ink on a white background. It shows a truss roof structure on the left, a sloped roof in the middle, and a wall with horizontal lines on the right. The ground is indicated by a series of blue wavy lines at the bottom. The sketch is a preliminary drawing, likely for a design or construction project.

LUCIDEZ en la idea de la FV
LUMINOSIDAD en la caracterización.

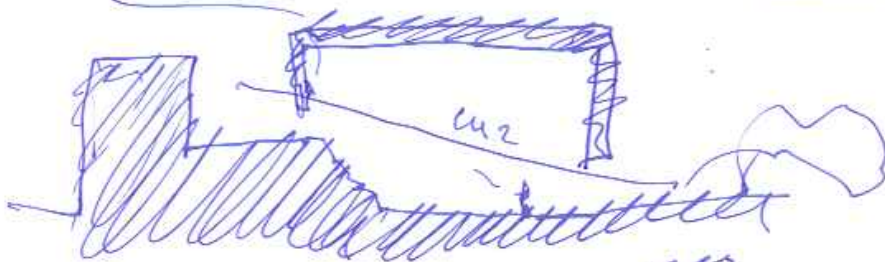

[after wagensberg]

el gozo intelectual es lúcido.
el disfrute intelectual es luminoso!

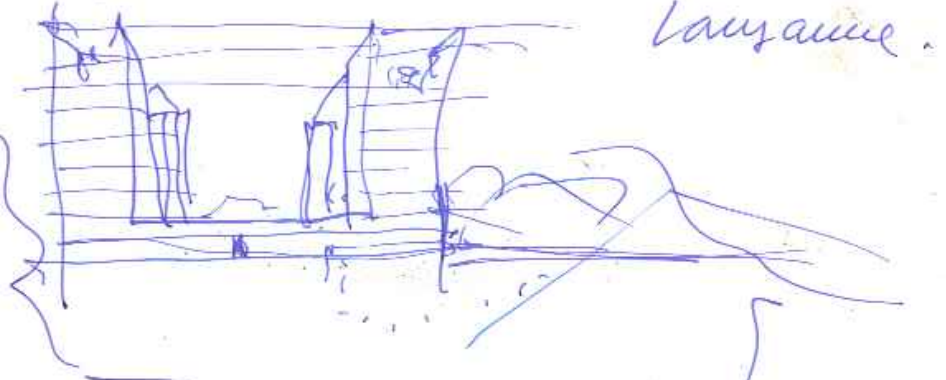

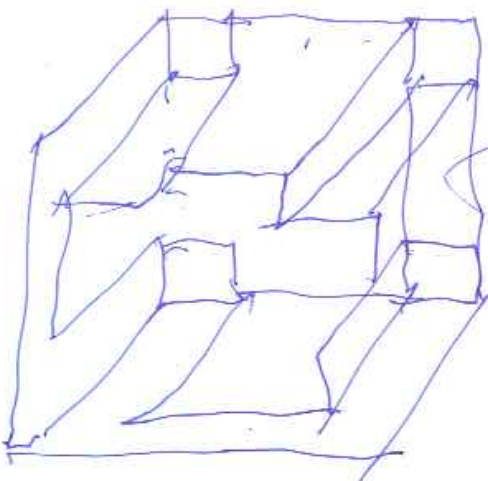

el conocimiento es lúcido.
la sensación es luminosa.

65

- 1 con la información se enciende la luz
- 2 al conocer se enciende la luz (la bombilla)
- 3 y al disfrutar se multiplica la luz (el resplandor)
