LUCIDEX en la idea de la FV
LUMINOSIDAD en la caracterización.

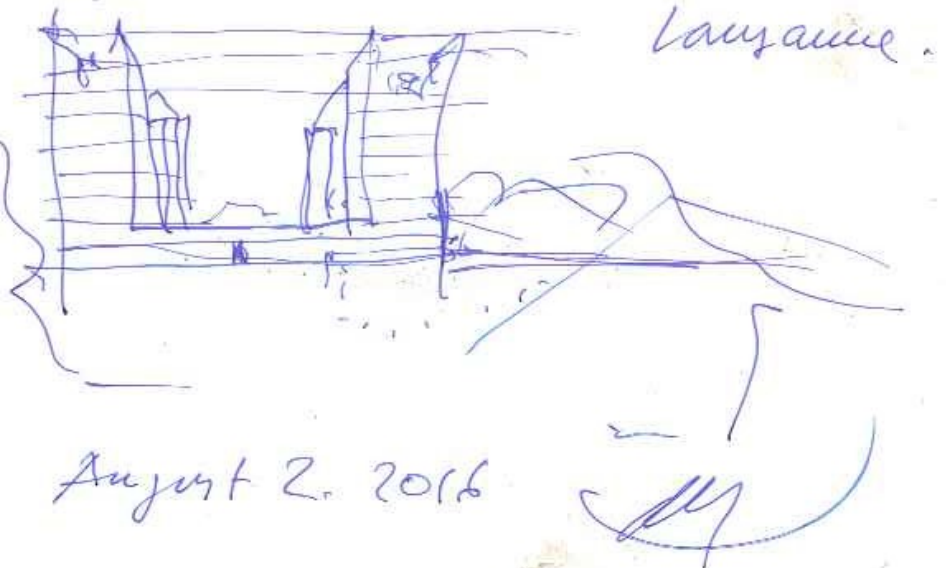

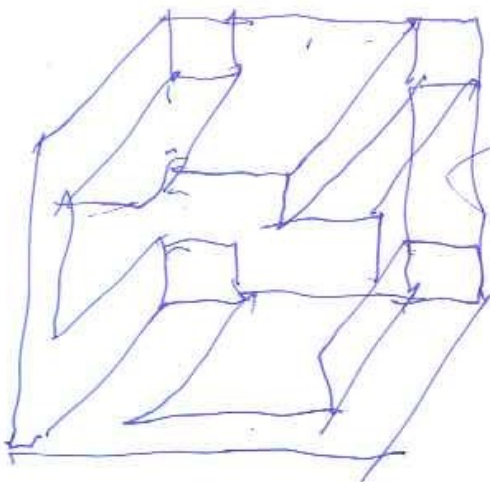

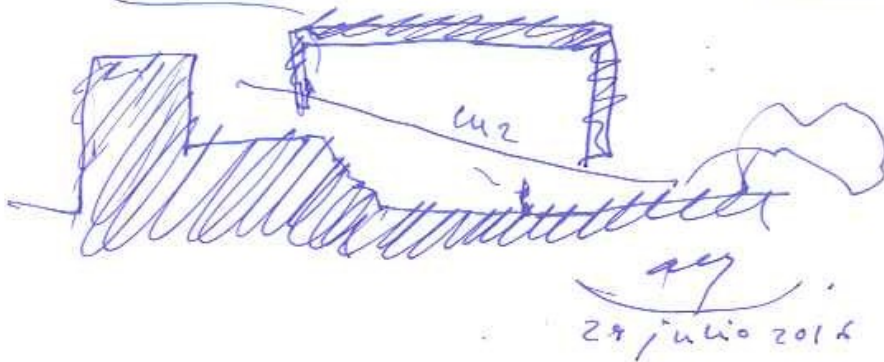

[after wagensberg]

el gozo intelectual es lúcido.
el disfrute intelectual es luminoso!

el conocimiento es lúcido.
la lengua es luminosa.

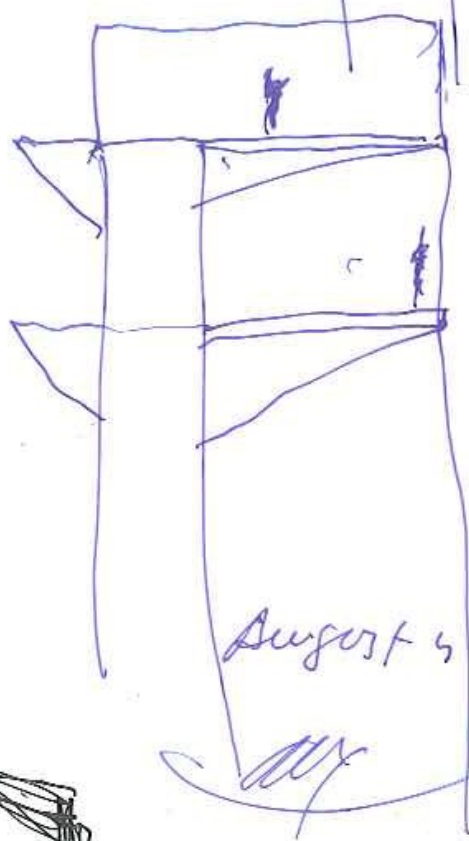

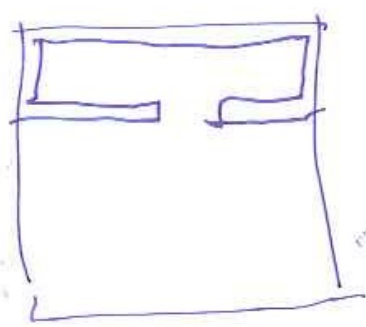

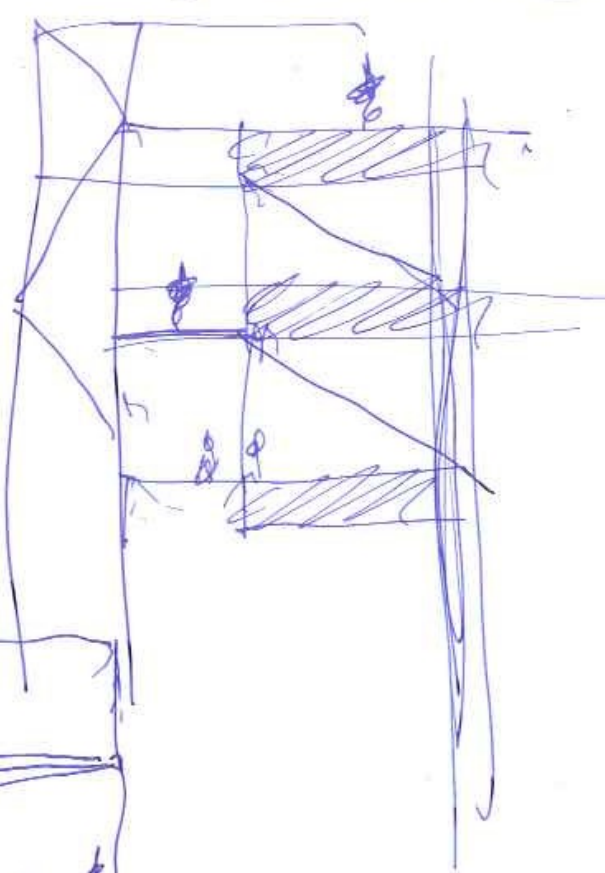

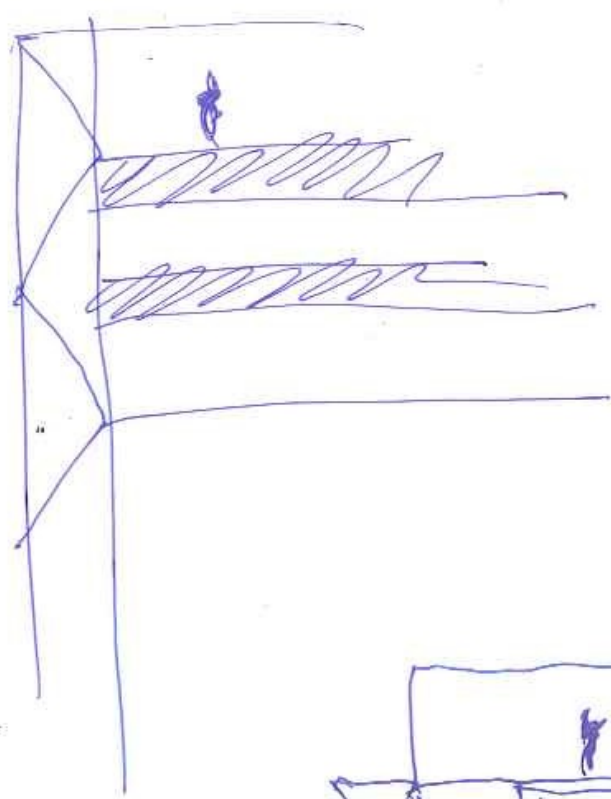

65

- 1 con la información se enciende la luz
- 2 al conocer se enciende la luz (la bombilla)
- 3 al disfrutar se multiplica la luz (el resplandor)
