Llevo 40 años de profesor de Proyectos
 y para mi profesor de proyectos, es un
 regalo estupefacto.

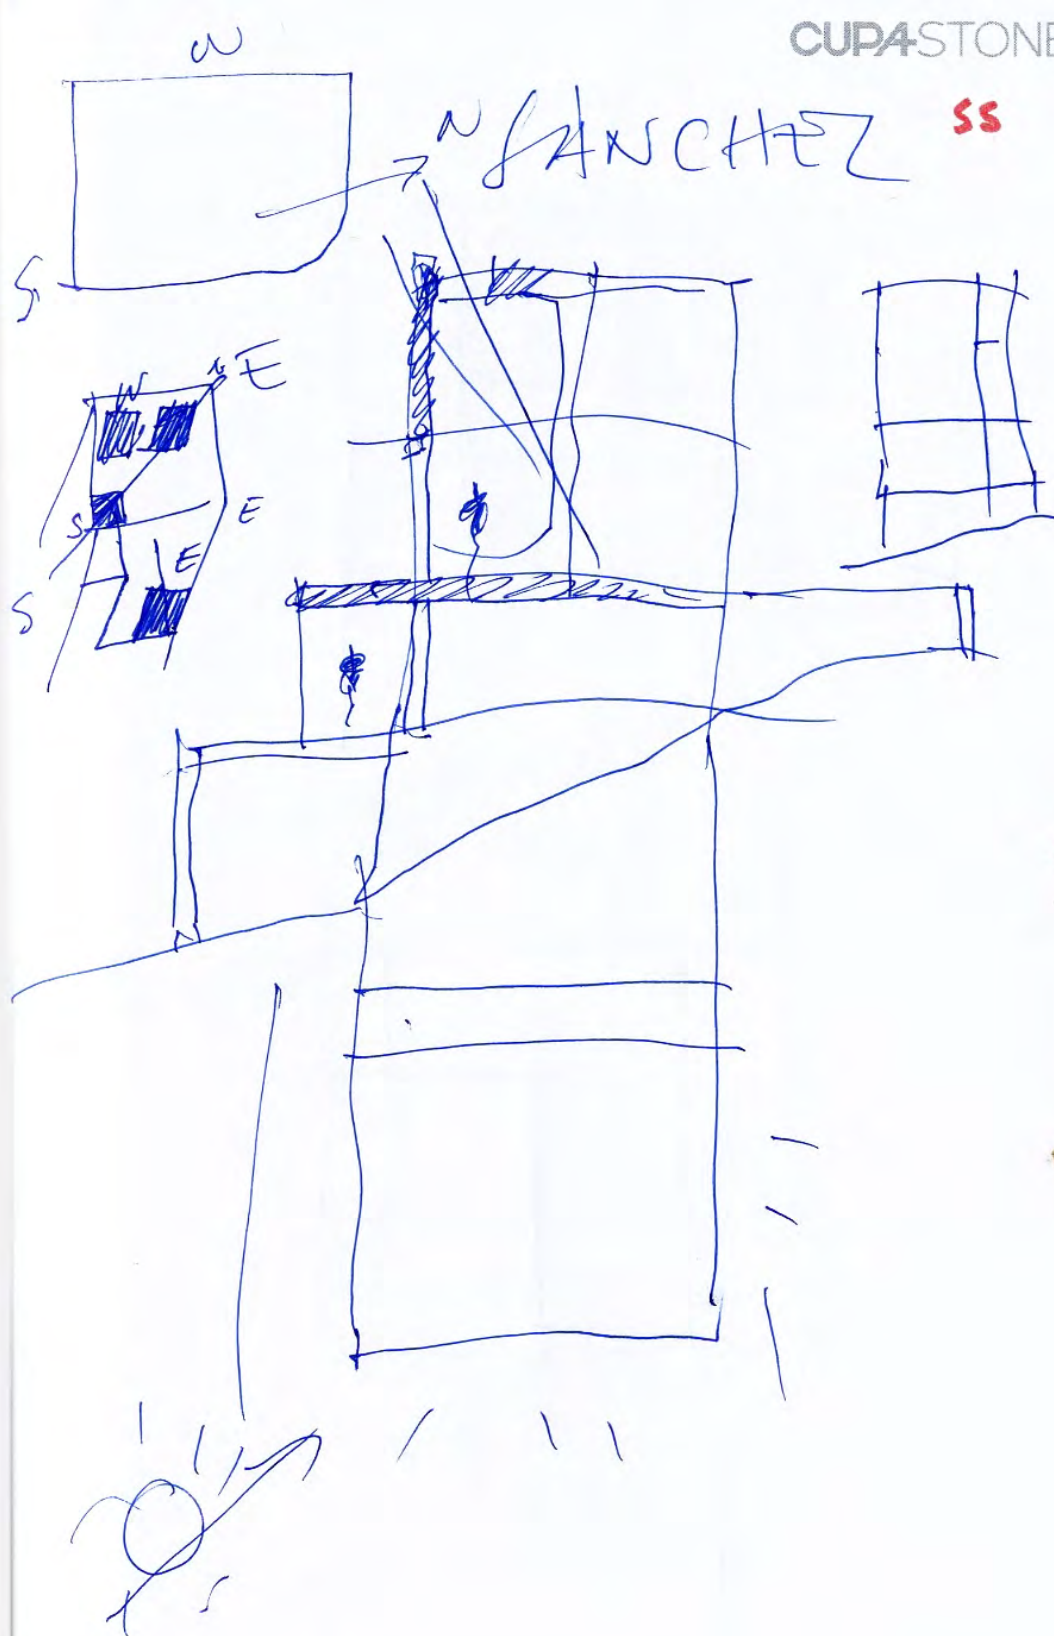

Poder crear los espacios más adecuados, por
 la ergonomía, poder materializar todo lo que
 con la experiencia, han pasado siempre por mi cabeza.
 "Yo he vivido este claro es", que ahora es
 oportuno de hacerlo y se construye.

Quiero una Escuela muy luminosa,
 muy abierta. Proyectos y personas y confortar lo
 pedagógico en la escuela, en la escuela, en la escuela,
 luminosa, en la escuela, en la escuela,

HANS ERNI

¿Donde, una memoria
(Elena + Abe el jueves 24 de
agosto de 2012 en la casa)

Has llegado fu
mi única mujer
bueno entonces
puedes hacer tanto
siempre te quise
tanto, sin saberlo
hasta aquel día.
fue como un rayo.
fue un beso largo
y luego el cielo
allá en la arena
como si nada.

1. Ro
JDS. TS
R. FS.
Ph. Da.
PJ. Pa.
Mm
MM

de que entonces
y que me decía
que nada pas
de que entonces
a la arena
del cielo
tu que me decías.
de que entonces
las circunstan
que tanto te
formaron...

También podías salir
mi única mujer
como a la vez
te quise y me te quise
¿cómo puede este ser
fu... -

yo no lo m que
pero te quise
fué mi vida de
siempre,
o me hace tanto
hayte caer
en que fué
mi vida en
de tal manera
que yo creí como
y te dese.

Ha vuelto la calma
y la serenidad
cani completa
y también el alba
de la vida futura
de un horizonte
que se funde en el agua
